Announcement Regarding Final Closing of AG IV Series Funds

We are pleased to announce the successful final closing of the AG IV Series Funds* with total capital commitments of JPY 86.7 billion, reaching the aggregate fundraising hard cap.

We would like to thank existing and new investors, including many leading domestic and international investors, such as pension funds, public foundations, financial institutions, insurance companies, fund of funds, foundations, and family offices, for participating in the AG IV Series Funds.

The AG IV Series Funds will continue to pursue investment opportunities in the mid-cap buyout space, responding to the various capital transfer needs of the market, such as business succession, carve-outs, and turnarounds. We will work together with the portfolio companies to achieve operational improvements and sustainable growth through our hands-on approach and core values.

* AG IV Series Funds includes AG IV Investment Limited Partnership, AG Duet Limited Partnership, and AG Dance Limited Partnership, which will be independently operated.
